The NIMDAC Foundation is a registered, non-profit, charitable foundation. Though it is a separate organization, it operates in association with the Northern Indian Medical & Dental Association of Canada.

The purpose of the NIMDAC Foundation is to give back to charities that have a focus in the medical, dental and health fields, such as Heart & Stroke.

www.nimdacfoundation.com

The Heart and Stroke Foundation is a leader in eliminating heart disease and stroke, reducing their impact through the advancement of research and its application, promotion of healthy living & advocacy.

Heart and Stroke is a serious concern and still the number one cause of death among Canadians.
